Data in Oz. To find out what 1.5Mbps means for you, go to [vodafone.com.au/speedguide](http://vodafone.com.au/speedguide).

Terms and conditions: Business Advance Plans: See inside for full terms and conditions. All data for use within Vodafone network coverage areas. Business Advance Plans include a "Your Max Speed" data allowance (which is data at the fastest speed the Vodafone network can deliver to you, depending on your handset and the time and place you are using data) which will be used first; then data is available at speeds of up to 1.5mbps until next billing month. Actual speeds you reach will continually vary depending on many factors such as device capabilities, location, network congestion, network coverage and if you are roaming. Fair Use Policy applies. See [vodafone.com.au/fairuse](http://vodafone.com.au/fairuse).
