Data for use in Oz.

Terms and conditions: Business Advance Plans: Must have ABN/ACN and 10 or more connections on the same account. Business Advance BYO Plans are also available if you wish to BYO handset. Business Advance Plans are only available with a Tech Fund. See your plan details for more info. Min monthly costs, total min costs, exclusions and T&Cs apply – see vodafone.com.au/business. All data for use within Vodafone network coverage areas. Business Advance Plans include a "Your Max Speed" data allowance (which is data at the fastest speed the Vodafone network can deliver to you, depending on your handset and the time and place you are using data) which will be used first; then data is available at speeds of up to 1.5mbps until next billing month. Actual speeds you reach will continually vary depending on many factors such as device capabilities, location, network congestion, network coverage and if you are roaming. Fair Use Policy applies. See vodafone.com.au/fairuse. **Tech Fund:** can be used on the Vodafone network towards a selected range of hardware and/or accessories determined by Vodafone from time to time. Tech Fund cannot be redeemed for cash or used as a credit against a customer's call or service costs with Vodafone. Any amount remaining in the Tech Fund upon termination or at the end of the term of the contract will be forfeited. Device purchased via Tech Fund must remain connected to the Vodafone network for at least the minimum contract term. **ReadySupport:** available 8am – 8pm Mon-Fri and 9am-5.30pm at other times. Personal account managers available 8am to 5.30pm Mon-Fri. **\$5 Roaming:** Available to eligible customers. \$5 Daily Charge is in addition to minimum monthly spend. For Plus Plan customers, only Your Max Speed data allowance can be accessed
